

Sooner Scribes Drops of Ink

March 2010

Zentangles are a Hit! **March Program: Painting on Fabric with Donna Peregrin**

Zen Tangles were a big hit! Barbara led us through the process and we totally enjoyed ourselves. The end results were smashing! Even though we all used the same elements, each tangle was unique. We were quite impressed with ourselves. We will probably be tangling in the future, on our own. Thanks, Barbara!

Here are a few examples of our work. To see more, visit our on-line gallery: www.soonerscribes.com.

Thank Yews!

Special Thanks! goes to **Sandy Mutz**. She shared 11 of the most beautiful hand sewn books for door prizes! We all loved them. We may have a special workshop for Sandy and Pat Lynn to teach us all how to create them. Sandy, thanks again for sharing yourself with us!
