February Meeting Notes

Wendy Fox guided us through creating beautiful little “Rosie Kelly” books. She had the papers cut and the tools available, for us to put together a lovely book, in about an hour. We are to work on the finishing touches and bring our books back to the next meeting. Also we had door prizes, compliments of Wendy! It turned out that everyone present got to take home a luscious sheet of either paste paper, marbled paper or specialty paper.

A giant thanks to Wendy for her program and her generosity for sharing such beautiful papers with us!
